ally assaulted last night by a band of robbers at Ashfork, and left unconscious on the railroad track. The man is the popular Santa Fe engineer at that junction, and has been in the employ of the road some time. He is a man of about 35 years of age, and at times is troubled with epileptic nights.

He got up about 5 o'clock and went to the yards and started for the engine house, where he was met by six or eight burly ruffians, who told him to get up his hands. He refused to do so, and thereupon dealt a fearful blow over the face of the first of the ruffians, knocking him momentarily senseless.

Then he attempted to get up they rushed upon him, inflicting serious injuries and almost breaking his legs. They then took all the money he had on him, about \$65, and left him in a helpless plight.

His fellow engineers and firemen aroused after some time had passed, and fired his revolver in the support of him in the direction of the assailants. This attracted the attention of the citizens, who found Conners and lifted him into shelter. He is now being cared for in the hospital at this place.

A crew of the bandits as yet has not been discovered, but a diligent search is made to capture them.

ZONA WANTS TO COME IN.
[A P. NIGHT REPORT.]
DENVER, Aug. 21.—State Senator [Name] looked for Arizona campaign as an assured fact by the action next Congress. During the past year sporadic agitation has been going on in progress, and he estimated at three or four sessions Democratic and Republican design are Territory during this session. He said the outlook for statehood, and the hardest is to make it a certainty. A last session of the Legislature of Representatives for admission of a State predicated constitutionally, and the people of the Territory. Objection was made to certain clauses of constitution, which were taken away by that body. The Senate had the following report tonight:

It is evident that in order to be successful several changes will have to be made. It is satisfactory. I suggest that the committee on territorial constitutional convention be authorized to involve considerable expense in the county committed to the Democratic and Republican parties at the different county conventions. Name a delegate to the convention of the future, at which time the constitution proposed to revise the objectionable features

work of revision need take but a day, and a new commission would be submitted at a general election. The commission would be elected, and would be sworn in the night, and would be ready to start its work at once. The original commission was elected in 1901, and its term of office was for one year, and it was re-elected in 1902, 1903, 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957, 1958, 1959, 1960, 1961, 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970, 1971, 1972, 1973, 1974, 1975, 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, 1984, 1985, 1986, 1987, 1988, 1989, 1990, 1991, 1992, 1993, 1994, 1995, 1996, 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025, 2026, 2027, 2028, 2029, 2030, 2031, 2032, 2033, 2034, 2035, 2036, 2037, 2038, 2039, 2040, 2041, 2042, 2043, 2044, 2045, 2046, 2047, 2048, 2049, 2050, 2051, 2052, 2053, 2054, 2055, 2056, 2057, 2058, 2059, 2060, 2061, 2062, 2063, 2064, 2065, 2066, 2067, 2068, 2069, 2070, 2071, 2072, 2073, 2074, 2075, 2076, 2077, 2078, 2079, 2080, 2081, 2082, 2083, 2084, 2085, 2086, 2087, 2088, 2089, 2090, 2091, 2092, 2093, 2094, 2095, 2096, 2097, 2098, 2099, 2100, 2101, 2102, 2103, 2104, 2105, 2106, 2107, 2108, 2109, 2110, 2111, 2112, 2113, 2114, 2115, 2116, 2117, 2118, 2119, 2120, 2121, 2122, 2123, 2124, 2125, 2126, 2127, 2128, 2129, 2130, 2131, 2132, 2133, 2134, 2135, 2136, 2137, 2138, 2139, 2140, 2141, 2142, 2143, 2144, 2145, 2146, 2147, 2148, 2149, 2150, 2151, 2152, 2153, 2154, 2155, 2156, 2157, 2158, 2159, 2160, 2161, 2162, 2163, 2164, 2165, 2166, 2167, 2168, 2169, 2170, 2171, 2172, 2173, 2174, 2175, 2176, 2177, 2178, 2179, 2180, 2181, 2182, 2183, 2184, 2185, 2186, 2187, 2188, 2189, 2190, 2191, 2192, 2193, 2194, 2195, 2196, 2197, 2198, 2199, 2200, 2201, 2202, 2203, 2204, 2205, 2206, 2207, 2208, 2209, 2210, 2211, 2212, 2213, 2214, 2215, 2216, 2217, 2218, 2219, 2220, 2221, 2222, 2223, 2224, 2225, 2226, 2227, 2228, 2229, 2230, 2231, 2232, 2233, 2234, 2235, 2236, 2237, 2238, 2239, 2240, 2241, 2242, 2243, 2244, 2245, 2246, 2247, 2248, 2249, 2250, 2251, 2252, 2253, 2254, 2255, 2256, 2257, 2258, 2259, 2260, 2261, 2262, 2263, 2264, 2265, 2266, 2267, 2268, 2269, 2270, 2271, 2272, 2273, 2274, 2275, 2276, 2277, 2278, 2279, 2280, 2281, 2282, 2283, 2284, 2285, 2286, 2287, 2288, 2289, 2290, 2291, 2292, 2293, 2294, 2295, 2296, 2297, 2298, 2299, 2300, 2301, 2302, 2303, 2304, 2305, 2306, 2307, 2308, 2309, 2310, 2311, 2312, 2313, 2314, 2315, 2316, 2317, 2318, 2319, 2320, 2321, 2322, 2323, 2324, 2325, 2326, 2327, 2328, 2329, 2330, 2331, 2332, 2333, 2334, 2335, 2336, 2337, 2338, 2339, 2340, 2341, 2342, 2343, 2344, 2345, 2346, 2347, 2348, 2349, 2350, 2351, 2352, 2353, 2354, 2355, 2356, 2357, 2358, 2359, 2360, 2361, 2362, 2363, 2364, 2365, 2366, 2367, 2368, 2369, 2370, 2371, 2372, 2373, 2374, 2375, 2376, 2377, 2378, 2379, 2380, 2381, 2382, 2383, 2384, 2385, 2386, 2387, 2388, 2389, 2390, 2391, 2392, 2393, 2394, 2395, 2396, 2397, 2398, 2399, 2400, 2401, 2402, 2403, 2404, 2405, 2406, 2407, 2408, 2409, 2410, 2411, 2412, 2413, 2414, 2415, 2416, 2417, 2418, 2419, 2420, 2421, 2422, 2423, 2424, 2425, 2426, 2427, 2428, 2429, 2430, 2431, 2432, 2433, 2434, 2435, 2436, 2437, 2438, 2439, 2440, 2441, 2442, 2443, 2444, 2445, 2446, 2447, 2448, 2449, 2450, 2451, 2452, 2453, 2454, 2455, 2456, 2457, 2458, 2459, 2460, 2461, 2462, 2463, 2464, 2465, 2466, 2467, 2468, 2469, 2470, 2471, 2472, 2473, 2474, 2475, 2476, 2477, 2478, 2479, 2480, 2481, 2482, 2483, 2484, 2485, 2486, 2487, 2488, 2489, 2490, 2491, 2492, 2493, 2494, 2495, 2496, 2497, 2498, 2499, 2500, 2501, 2502, 2503, 2504, 2505, 2506, 2507, 2508, 2509, 2510, 2511, 2512, 2513, 2514, 2515, 2516, 2517, 2518, 2519, 2520, 2521, 2522, 2523, 2524, 2525, 2526, 2527, 2528, 2529, 2530, 2531, 2532, 2533, 2534, 2535, 2536, 2537, 2538, 2539, 2540, 2541, 2542, 2543, 2544, 2545, 2546, 2547, 2548, 2549, 2550, 2551, 2552, 2553, 2554, 2555, 2556, 2557, 2558, 2559, 2560, 2561, 2562, 2563, 2564, 2565, 2566, 2567, 2568, 2569, 2570, 2571,

The 11th of this month and it is believed she has arrived at Taku. She had on board four batteries of artillery. These batteries did not have service as infantry until their guns can be sent to Taku, if it is decided to send them. The Hancock also took 100 marines, which are expected to do service in China. The transport Stephens has left Manila for Taku, carrying twenty-two teams and teams for service in the Quartermaster's Department in China.

NOT YET RUN TO EARTH.
Empress Dowager's Whereabouts Still Unknown.

Flags of the Allies Now Floating Over the Imperial Palace.

(A. P. NIGHT REPORT.)
LONDON, Aug. 12.—(By Atlantic Cable.) In the news that reaches London this morning direct from China there is nothing to confirm the report that the Empress Dowager has been run to earth.

The foreign envoys, according to the Shanghai correspondent of the Daily Express, are proceeding to Tien-Tsin. The same correspondent adds that the sacred city was entered August 11, two days earlier than Rear-Admiral Bruce reported.

"The flags of the allies," says the Shanghai correspondent of the Daily Mail, writing yesterday, "are now floating over the imperial palace. Street fighting, however, continues. Considerable assistance in the capture of Peking was rendered by 4000 armed native Christians. The legations were enabled to hold out by purchasing ammunition from the Chinese."

The Standard says: "We imagine that other powers will take the same course, at any rate until Earl Li produces satisfactory evidence of his authority to negotiate."

The Daily Chronicle says: "Mr. Conger has a long letter to have been written by Vice-Admiral Seymour, in which he stoutly defends his action in advancing to the relief of the legations when he did, saying: 'Two or three days our prospects were very dark and disaster seemed probable. I felt I never regretted that I had started, as I had not done so.'"

Referring to the difficulties of controlling mixed troops and as to their characteristics, he says: "The Germans were very dash and go none surpassed, but perhaps equaled the Americans. The French were more cautious and more obedient with other nationalities. The Germans and Russians were inclined to hold together, but the Americans were with us always."

CABINET MEETING.
Decision Reached to Reject Earl Li's Appeal.

Reason is Non-Compliance With American Demands.

(A. P. NIGHT REPORT.)
WASHINGTON, Aug. 12.—The cabinet today decided to reject the appeal from Li Hung Chang for a cessation of hostilities. The reply will be communicated at once to the Chinese government with a statement of the reasons for the action of this government.

The cabinet meeting today was entirely devoted to a discussion of the situation in China. There were only four members of the cabinet present, Secretaries Gage, Hitchcock and Wilson and Postmaster-General Smith. The message received from Earl Li Hung Chang was carefully considered, as was also the dispatch from the other viceroys, but replies have not yet been returned. It was decided, however, to reject the appeal of the Chinese government, made through Li Hung Chang, for the appointment of Minister Conger or some other commissioner to negotiate for a cessation of hostilities.

Such a reply will be communicated to Li Hung Chang. The rejection is based on the non-compliance of the Chinese government with the specific provisions of the declaration of the United States under date of August 12.

At present this government is very much in the dark as to who or what the government of China is and till the atmosphere becomes clearer so that we may know whether there really is a responsible head in Peking who can treat with us and whose guarantee to protect our people and interests in the empire would be worth considering. The whole matter of treaty making will be held in abeyance. This government does not forget that at present it has a treaty with the imperial government, which fully guarantees to protect the lives and property of our people. This treaty has been violated and its guarantees wholly disregarded.

In view of this fact the President will hesitate before he consents to enter into another treaty. Members of the cabinet, in discussing the matter today, stated that information at hand does not indicate that there is a government worthy of the name existing in China. It is an enormous headless affair, without knowledge of what is for its best good, and without power to enforce its wishes. The probable flight of the Emperor and the Empress Dowager has left the government in a condition of chaos, and no one seems to know who, if any one, is directing its affairs. Under these conditions this government will act with extreme care in whatever steps are taken looking to peace.

APPEAL TO FRANCE.
(A. P. NIGHT REPORT.)
PARIS, Aug. 12.—The French For-

sign Office has received from Li Hung Chang a request similar to the one addressed to the United States government, asking for the appointment of M. Pichon, the French Minister at Peking, or another person to represent France at the peace negotiations.

It is said all the powers have received a like message.

VICEROYS URGE LENIENCY.
(A. P. NIGHT REPORT.)

WASHINGTON, Aug. 12.—The State Department today received an appeal from the viceroys of Nanking and Hunan, asking that no personal indignities be shown the Emperor and Empress Dowager, and renewing assurances of friendship and maintaining quiet in China if this is observed. The communication from the viceroys came through Minister Wu, and was delivered by him to Secretary Adee this morning. It is understood that the powers have already considered this question, and there appears to be no disposition to give the Emperor and Empress Dowager affront.

Earl Li Hung Chang has signified his intention of leaving Shanghai for Peking, as soon as he receives the reply of the powers to his request of yesterday for peace.

The application of the Chinese viceroys is in effect a request that the prisoners of war shall not be made prisoners of war. It is said that the powers are authorized under the rules and practice of international law to accede to this request, or not, as they deem best. The request is not one of right, but its granting is dependent entirely upon what the powers may consider best for their own interests.

It is an established principle of international law that members of the enemy's royal family, his chief ministers of state, and his chief diplomatic agents are liable to capture, even though they may not be actually engaged in hostile demonstrations. Their position makes them so important to the enemy that it is considered that they cannot be treated as ordinary non-combatants.

In the present case, there is well-grounded belief that the viceroys are sincere in their desire to end the hostilities, and especially the Empress Dowager, have been instrumental in directing hostile movements, and Minister Conger's advice has been to accept the request.

The viceroys have also stated that the imperial forces were besieging the legations.

THE QUEER FAMILY.
Dowager and Emperor Have Really Left Peking.

Their Majesties Can't Be Located Save at Sian Fu.

(A. P. NIGHT REPORT.)
WASHINGTON, Aug. 12.—The government has received positive confirmation from official Chinese sources of the departure of the Empress Dowager and Emperor from Peking. They went westward, but the point at which they are now located was not given.

CAN'T GET AT THEM.
LONDON, Aug. 12.—Divers paragraphs as to the movements of the Chinese imperial family continue to be received at the treaty ports and are these faithfully transmitted to the European capitals. Those representing the court as having left Peking are of exclusive Chinese origin. According to them, their Majesties are well on their way to Sian Fu, about 700 miles inland. Fighting was going on at Peking Saturday, according to one report, but according to a dispatch received by the admiralty from Rear-Admiral Bruce, the allies entered the sacred city of Peking Friday.

If the Chinese government is at Sian Fu, there is no means of getting at them, according to military men, without a prolonged campaign, and with an army as large as Lord Roberts's to secure the bases of communications.

Advices from the provincial capital show that the attitude of the southern provinces has been friendly since the allies reached Peking. Some of the magistrates have been issuing proclamations commanding the Chinese to attribute to the invaders a hostile intention, and asserting that the invasion of foreigners is justified.

DOWAGER SURROUNDED.
(A. P. NIGHT REPORT.)
PARIS, Aug. 12.—The Temps publishes a dispatch from Shanghai, dated August 12, saying it is reported there that the Dowager Empress fled from Peking with treasure valued at 600,000 taels, and that she is surrounded by Japanese cavalry.

PLUCKY MISSIONARY.
HELD OUT UNTIL RELIEVED.
(A. P. NIGHT REPORT.)

NEW YORK, Aug. 12.—A dispatch to the Herald from Tien-Tsin via Shanghai says: "Father De Hets, a Lazarist missionary, has arrived here. At a village forty miles to the northwest he, with 6000 converts, held out for six weeks against Boxers armed with rifles and swords. They numbered 20,000. They intended blinding or killing the whole population."

"The village officials sent Father De Hets word that he must leave China, but with a few rifles and a small cannon he held on till Gen. Sun sent word that the Christians would be spared, but they must disarm, and Father De Hets must leave for the Peking. He was escorted to Gen. Ma at Peking and had been there for three days when Peking was taken. The remaining converts were given one week's food by Gen. Sun, acting under orders from Peking. The Boxers obeyed his orders."

THE NEED OF TROOPS.
WAR OFFICE NOT POSTED.
(A. P. NIGHT REPORT.)

WASHINGTON, Aug. 12.—The War Department has no information concerning the report from London that the addition of troops for the allies are urgently needed. If this was the case, nothing more could be done by this government at present. The troops now under orders for the Far East will continue to go forward, and when they reach Nagasaki it will be determined whether they will go to China or to Manila, the Philippines being the original destination of some of the troops under orders. There are now in China the Ninth Infantry, eight

companies of the Fourteenth Infantry, Battery F of the Fifth Artillery, eight troops of the Sixth Cavalry, and four companies of the Fifteenth Infantry, the latter having recently arrived.

There are at sea, destined for China, four battalions of the Third Army, Co. E of the Engineers, four troops of the Third Cavalry, eight troops of the First Cavalry and eight troops of the Ninth Cavalry. Besides these there sailed on the Sherman today four companies each of the Fifth and Eighth Infantry. Some of the troops at sea should reach Taku within a week or ten days. The latest arrivals were the four companies of the Fifteenth Infantry, who arrived with Gen. Barry. When Gen. Barry reported from Taku he announced that he would at once go to the front, and it was reported that the detachment of the Fifteenth Infantry would accompany him toward Peking. It is believed that the detachment will be able to restore the telegraph line, which seems to have been interrupted.

WENT TO HIS REWARD.
(A. P. NIGHT REPORT.)
SHANGHAI, Aug. 12.—Yun Shi Kian, the Governor of Shanghai, is dead.

THE SHERMAN SAILS.

SAN FRANCISCO, Aug. 12.—The transport Sherman sailed at noon today for Nagasaki with troops and supplies. It is carrying the Second, Fifth and Eighth regiments, together with a large number of Chinese troops, and a large number of signal corpsmen. There are over 1000 officers and men on the transport.

NEWS IS SCANTY.
Empress Dowager is Lying Low in Palace.

Bombardment Still On—Confusion as to Dates.

(A. P. NIGHT REPORT.)
NEW YORK, Aug. 12.—A dispatch to the Tribune from London says news with regard to the Empress Dowager is still in Peking or not. Telegrams of Japanese origin affirm that the Empress Dowager is lying low in the palace, and that the Chinese Minister in London declares positively that he has information that the Empress Dowager is in Peking.

Prior to the signing of the present treaty, the relations between the two nations were governed by the treaty of 1899, and the treaty of 1900, which were both of them very old and in many respects obsolete.

best gray graniteware cheap today

Way below what you'd pay for the imitation sort. There's a big difference in graniteware, as there is with about everything the Yankee's hands touch. He says, "I can take a little off here, a little there—wash it instead of enamel it—put a nice glossy finish on it—lessen the cost so much and the people will pay full prices for it as readily as they would the other."

And there is much of this make-believe trash in Los Angeles. Don't get confused. 'Tisn't necessary to more than give a piece a little pressure between your two hands to see what light, tinny stuff it is. Most folks can't tell a counterfeit dollar till after they have been caught. You don't need to have this miserable experience to "find out" granite ware. Come today. We will show you the difference, and incidentally

sell you the real thing at counterfeit prices. Don't hold us to these prices after today.

Los Angeles Knights of Pythias Going to the Encampment at Detroit.

DRILL CORPS LOS ANGELES COMPANY, NO. 25, UNIFORM RANK, KNIGHTS OF PYTHIAS.

Perhaps the most interesting exodus of fraternal people recently made from Los Angeles will be the pilgrimage of the Los Angeles Knights of Pythias, starting for Detroit, Mich., this evening to attend the national biennial encampment of the Uniform Rank of the United States, which assembles at the same time as the session of the Supreme Lodge, Knights of Pythias.

Quartermaster W. S. Corbin departed Sunday evening to make arrangements for the camp, accompanied by his wife. The company will leave the Castle Hall at 6 o'clock this evening, and headed by a band and accompanied by the members of the several lodges of Knights of Pythias, will march over the following route to La Grande depot.

Spring street to First, west on First to Broadway, south on Broadway to Second street, east on Second street to Spring, north on Spring to First street on First to depot.

Arriving at the depot a special car will be waiting, bearing upon both sides a full length streamer in the national colors, the words: "Los Angeles Company, No. 25, Uniform Rank, Knights of Pythias, en route from Los Angeles to Detroit."

The following is a complete roster of those who will go upon the special car: Capt. J. G. Scarborough, First Lieutenant O. S. Ibrir, Second Lieutenant G. S. Adolph, Right Guide W. J. Kingswell, Left Guide W. L. Bright and wife, E. G. Whitcomb, W. H. Pickering, A. T. Anderson, C. V. Stansbury, Judge D. K. Trask, Earl Rogers, P.

W. Frost, John S. Myers, Fred Scott, L. H. Field, R. E. Ziegler, L. L. Adolph, George M. Bookhout and wife, P. A. Rust, J. H. McCarthy, L. W. Drew, P. E. Beach, Albert Mercer, E. G. Kienly, Ira Stevenson and wife, H. L. Klaproth and wife, L. C. Hannum and wife, W. L. Phillips, Dr. N. A. Dalrymple, C. H. Maphet, S. L. Rust, Thomas Holmes, H. K. Sullivan, R. G. Tyrone, H. Gollis, James Murray, M. S. Herlihy.

The train will depart at 7:30 p.m. and in addition to the Knights, will carry a large assortment of literature from the Chambers of Commerce, of Los Angeles and Pomona, wine, fruits and other products of Southern California, while the car will be elaborately decorated with palms, flowers and ferns. The car will reach Chicago on Sunday at 6:40 a.m.; at 9 a.m. will be attached to the finest special train on the Wabash road that ever left Chicago, and will arrive in Detroit the same evening.

On arrival in Detroit a special tent will be pitched on the encampment grounds, in which will be displayed literature, fruit, wine and other products of Southern California, and in which the company will keep open house and sing the praises of this vicinity in the ears of all callers. At the close of the encampment many will visit other eastern cities and return to Los Angeles as one expressed it—"any old way."

The company has been drilling several times a week, and while it is sure of winning the prize of \$300 to the company coming the longest distance, it is also entering in classes where it hopes to capture another prize. The prizes in class B are as follows: For proficiency drill, first prize, \$200; second prize, \$400; third prize, \$200.

It is estimated that the parade on the afternoon of the 25th will be one of the most imposing processions of uniformed men ever held in the United States, and that there will be 15,000 men in line.

Aside from the honor that will accrue to Los Angeles and California Knights in general, this pilgrimage will be indirectly one of the best advertisements for the city of the future. The Rathbone Sisters in the woman's auxiliary to the Knights of Pythias, and a very helpful branch of the "order" which has been chartered by the Congress of the United States, and is thoroughly patriotic in its nature, well equipped and at all times ready to take up arms in the defense of the country.

The Supreme Lodge of the Knights of Pythias and the Supreme Temple of the Rathbone Sisters will be held in Detroit at the same time as the encampment. The Uniform Rank stands in the same relation to the Knights of Pythias as the Knights Templars does to Masonry and the Putnam Militia to the Odd Fellows, but enjoys the distinction, however, of being the only uniformed fraternal body that has been chartered by the Congress of the United States, and is thoroughly patriotic in its nature, well equipped and at all times ready to take up arms in the defense of the country.

Past Grand Chancellors Charles L. Patton and Judge A. J. Buckles departed for Detroit last week, and the rest of the San Francisco contingent, composed of Past Grand Chancellors George E. Church, W. C. Graves, George J. H. Gysler, C. E. Linday, George Samuels, Past Grand Chiefs Mrs. M. H. Wolf and Mrs. M. H. Lyda, H. Monroe of Riverside, supreme representatives of the Rathbone Sisters, and the deputy representatives from Oregon will depart from San Francisco this evening in a special car, and will be joined en route by delegations at Ogden, Cheyenne, Omaha and Chicago.

Seven Fall Sleepers.

The Grand Army men who went out at here last night slept in seven sleepers on the Santa Fe. Many women and youngsters go to the crowded Santa Fe sleepers similarly filled will go out tonight.

Cheap Outing.

Troop D of Long Beach campmen. The computations show that the cost of the outing was only about 20 cents a day for each man. Military authorities consider this getting off remarkably cheap, considering how few men were in camp.

Out in Jail.

W. H. Atwood, formerly book-keeper and collector for the Union Live and Box Company of East Los Angeles, charged with embezzlement, has been released on \$1000 bail, relatives in Michigan having come to his assistance. His preliminary examination will take place on Saturday before Justice Austin.

Involuntary Bankruptcy.

San Francisco creditors holding claims that aggregate \$100,000 have filed a petition in the United States District Court asking that Theodore W. Perry, general manager of Continental, be declared a bankrupt, it being alleged that he committed an act of bankruptcy on July 20, 1900, by transferring a portion of his stock to preferred creditors.

Danced Before McKinley.

Quentin Vincent, who is doing a turn at the Orpheum this week, is probably the only person who ever had the honor to do a rag-time dance at the Presidential White House. The President was dancing with him at the White House on the night of the 22nd of September, 1897.

Golfing Club.

A large party of local golfers left last evening for Avalon to take part in the golf tournament which is being held at the Santa Catalina Golf Club today. An open handicap competition for ladies will be the first attraction, followed by a similar contest for gentlemen on Thursday. The tournament will close Saturday.

Spilled Pictures.

Troop D's quarters at the Army will soon be decorated with enlarged photographs of the troop at mounted camp, taken during the Long Beach encampment. In one of the photographs the men are caught at the full tilt of a charge. With the sabers extended in furious positions and the horses on a dead run, the picture is very spirited and striking.

He Was a Quitter.

An exciting race took place on Adams street yesterday morning. The contestants were two boys with a burro and a tremendously tall sulky, and a buyer of old cans, with a dispirited horse. The boys had a broomstick as a persuader, and made a grand race. Unfortunately the tin man found a customer along the course and proved a base quitter.

Robbers' Victim Recovering.

Frank Underhill, the New York insurance man, who was beaten and robbed by two burglars last Saturday night in his room at the Bellevue Terrace Hotel, is recovering at the Good Samaritan Hospital. No clue to the identity of the burglars has yet been secured by the detectives, who are working on the case.

Full of Wounds.

Private letters have been received in this city from Will Clark of Los Angeles, who is confined in a Manila hospital. Clark was the comedian of the Seventh Regiment, and was always called "Fanny Face Clark." In his letter he says that he was wounded five times in a battle with the Filipinos. "When I got home," he writes, "I intended to hire out for a flower pot."

Struck Amish.

Yesterday afternoon car No. 31 of the Los Angeles Street Railway Company was struck amish by a traction car No. 12 at the intersection of Spring and Third streets. It was knocked off the track, and the side step was crushed. Four people were on the cars, which were going slowly, and nobody was hurt. The traction car had the right of way, but the other didn't stop.

Joy's Roll.

Little Joe Goldberg, 8 years old, whose parents conduct a second-hand store at No. 114 East First street, was hurried to the Receiving Hospital from Los Angeles and First streets last night. Strong Forest Patrol.

Col. B. F. Allen, superintendent of forest reserves for Southern California, has added to his corps of forest rangers till he now has 100 experienced men patrolling the various reserves in this state of the state. He claims that this force is adequate, and will be able to prevent a repetition of the recent terrible conflagration in the mountains. Incipient blazes are extinguished almost every day by the rangers, careless campers causing the mischief.

Wong Likes America.

Wong Quong, a Bakersfield Chinaman, is very much averse to returning to his native land. He is not a Boxer, has no desire to oppose the operation of the alien laws, and is a peace-loving citizen. Commissioner A. C. Maude of Bakersfield has decided that he is illegally in this country, and has ordered him deported. Quong will not submit to the decree without a legal struggle, and has appealed his case to the United States District Court here, his appeal being set for a hearing on August 30. A deputy marshal is at Bakersfield yesterday to bring the hapless heathen to Los Angeles for his new trial.
